## Art pages

*(Note: the user will have to scroll to reach the work section)*

**Art pages**

- Every art page will have the same layout.
- Every page will contain at least 2 pieces of work.
- Accessed by the 'work' drop down menu

*1<sup>st</sup> option*

*example of the drop down menu*

*work*

- OPTIONAL ART
- GAMES DESIGN
- ANIMATIONS
- GAMES
- OTHER PROJECTS

*features, scroll / slider dots*

I currently want to go with the first option for the art pages but designed the second one to have more options
